Commercial Compounds

BOCM Pauls Startercare Maxicreep - P03091BG

- 20% Protein
- Allow piglets access to a little fresh feed everyday from 2 weeks of age (Keep away from sow)
- Feed to appetite
- Feed for 1 week after weaning

BOCM Pauls Sovereign Supreme Pellets - P07133BG

- 19% Protein
- For feeding Ad lib to pigs between 5 to 12 weeks of age

BOCM Pauls Olympic 601 Pellets and Nuts - P07679BG

- 16% protein
- For feeding to growing and finishing pigs over 10 weeks of age.
- Feed to appetite to a maximum of 2.0Kg per pig per day (to ensure lean meat).

BOCM Pauls Multilac Nuts and Rolls - P07422BG - P07423BG

- 15% Protein
- For feeding to gilts and adult breeding pigs.
- Pregnancy 2.5-3.0Kg per day
- Lactation – after 3 days gradually increase by 0.5Kg per day to a maximum of 10-12Kg (assuming 10 piglets in litter)
- Weaning to service – 3.5Kg per day (usually 3-5 days after weaning)

Farmgate Range

Farmgate Sow and Weaner Meal

- P07470BG

- 16% Protein
- A highly palatable breeder diet designed to be fed to sows and their progeny. Ensures good milk production which results in well grown, healthy piglets that can be weaned from 8 weeks.

Feeding Guide

- Offer once daily or at a rate of between 3-6Kg per sow and litter, depending on the environmental conditions and the size of piglets.
- Follow on/rearing diets: At 8 weeks of age piglets should be gradually introduced over a 3 day period to the appropriate BOCM Pauls Pig Finisher diet.
- Store in a cool dry place. Always keep utensils and hoppers clean. Fresh, clean water should be available at all times.

Farmgate Sow and Weaner Nuts

- P074714BG

- 16% Protein
- A highly palatable breeder diet designed to be fed to sows and their progeny. Ensures good milk production which results in well grown, healthy piglets that can be weaned from 8 weeks.

Feeding Guide

- Offer once daily or at a rate of between 3-6Kg per sow and litter, depending on the environmental conditions and the size of piglets.
- Follow on/rearing diets: At 8 weeks of age piglets should be gradually introduced over a 3 day period to the appropriate BOCM Pauls Pig Finisher diet.
- Store in a cool dry place. Always keep utensils and hoppers clean. Fresh, clean water should be available at all times.
