

Pressure Washers

Vacuum Cleaners

Stihl

Product: Electric Pressure Washer
Size: Light Domestic Use
Code: QSRE107
Description: Working Pressure 10 - 110 bar, Max Water Throughput 440 l/hr, 230v, 1.7 kw, 15 kg, 8m Hose, 5m Cable, Auto Switch Off, Rotary Nozzle, Fan Nozzle with adjustable pressure, detergent spray set, cable and hose holder

Product: Electric Pressure Washer
Size: Medium Domestic Use
Code: QSRE117
Description: Working pressure 10 - 125 bar, max water throughput 500 l/hr, 230v, 2.1 kw, 17 kg, 8m steel reinforced hose, 5m cable, auto switch off, rotary nozzle, fan nozzle with adjustable pressure, detergent spray set, cable and hose holder

Product: Electric Pressure Washer
Size: Large Domestic Use
Code: QSRE127
Description: Working pressure 10 - 135 bar, max water throughput 500 l/hr, 230v, 2.3 kw, 17 kg, 9m steel reinforced hose, 5m cable, auto switch off, rotary nozzle, fan nozzle with adjustable pressure, detergent spray set, cable holder, hose reel

Product: Electric Pressure Washer
Size: Large Domestic/Semi Professional Use
Code: QSRE142
Description: Working pressure 10 - 130 bar, max water throughput 610 l/hr, 230v, 2.9 kw, 23.5 kg, 12m steel reinforced hose, auto switch off, fan nozzle with adjustable pressure, rotary nozzle, on board detergent, hose reel, cable holder, brass pump head, ceramic-coated pistons

Product: Electric Vacuum Cleaner
Size: Domestic Use
Code: QSSE61
Description: 240v, 1300w, max suction 180 mbar, max input volume air 3600 litres / min, 20 litre capacity, 6 kg, 2.5m hose, wet and dry collection, aluminium ext tubes, vario floor tool, universal tool, and groove tool, 1 filter and bag as standard
