

Allen & Page

Calm & Condition

Code: 20kg 76154

For Topline Without The Barley

Can be used as a conditioning and or a performance feed for those with plenty of natural forward energy. Barley free.

Weight Gain Mix

Code: 20kg 76012

Improve and Maintain Condition

A light pellet free mix, micronised to improve digestibility, extremely effective for putting on weight and condition.

'L' Mix

Code: 15kg 76000

For Those Prone to Laminitis

Low calorie, free from all added sugars, molasses and cereals.

Sugar & Cereal Intolerance Diet

Code: 20kg 76009

Free From All Added Cereal & Added Sugar

No added sugars, molasses or cereals. Suitable for those with intolerances, or that are prone to tying up, or laminitis but struggle to hold condition.

Stud & Youngstock Mix

Code: 20kg 76008

Keeping The Family Fit

Formulated for the higher nutritional needs of broodmares during pregnancy and lactation.

Stud & Youngstock Cubes

Code: 20kg 76003

Keeping The Family Fit

Formulated for the higher nutritional needs of broodmares during pregnancy and lactation

Code: 20kg 76011

Keeping Veterans Full of Vitality

Pellet free and easily digestible for the older horse when he starts to show his age.

Competition Extra Mix

Code: 20kg 76001

The Instant Energy Boost to Win

Very high energy feed, providing quick release energy, containing oats and other quick releasing sources.

Light Competition Mix

Code: 20kg 76005

The High Energy Source for Results

A high energy performance feed for horses in medium to hard work.

Sustain

Code: 20kg 76122

Maintaining Stamina for Performance

A high fibre, high oil but low starch performance feed. Provides slow release stamina ideal for competition horses especially those with natural energy.

Power & Performance

Code: 20kg 76118

Release The Potential

Revolutionary high energy feed. Power & Performance is low in starch & sugar and barley and molasses free, suitable for those with intolerances to these ingredients.

Hacking Cubes

Code: 20kg 76004

The Medium Energy Source

Ideal for active leisure horses or those in light competition, providing more energy than a low energy cube but less than a competition diet.

Hacking Mix

Code: 20kg 76153

The Medium Energy Mix

Ideal for the active leisure horse or those in very light competition, Hacking Mix provides more energy than our Quiet Range but not as much as a competition diet.

Quiet Cubes

Code: 20kg 76007

Keeping Steady While Looking Good

If your horse is at rest, working lightly or ridden occasionally but requires a maintenance diet.

Herbal Quiet Mix

Code: 20kg 22886

Keeping Steady While Looking Good

Ideal for horses and ponies from rest to light work that don't need too much energy, also idea for horses and ponies in work that are good doers.

Quiet Mix

Code: 20kg 76006

Keeping Steady While Looking Good

Ideal for horses and ponies from rest to light work that don't need too much energy.

Ride & Relax

Code: 20kg 23537

Stay Cool Without the Barley

Suitable for horses in light to medium work that can become excitable on low energy mixes.

Slim & Healthy

Code: 20kg 76173

For Those Watching Their Weight

Low calorie, low starch mix that is high in fibre.

Fast Fibre

Code: 20kg APFF20

The Quick Soak Fibre Provider

Soaks in 30-60 seconds.
