Fibre Beet

Code: 20kg 24874

Speedi-beet with added alfalfa.

Recommended by The Laminitis Trust

Speedi-Beet

Code: 20kg 76171

Speedi-Beet is unmolassed, quick soaking sugar beet flakes, needing to be soaked in water for only 10 minutes before use and providing horses and ponies with an extremely palatable feed.

Recommended by The Laminitis Trust.

Eurobeet

Code: 20kg Y82003900

Unmolassed Beet Pellets

Lower in sugar than traditional molassed beet whilst high in digestible fibre.

Alfalfa

Code: 15kg Y820070001

Ideal for all horses and ponies in light to medium work, breeding stock or those requiring condition.

No added molasses.

Ultra Grass

Code: 15kg Y82007201

Soft, free flowing, premium quality grass.

Higher in feed value than hay or alfalfa.

Fibre Plus Nuggets

Code: 20kg 22929

Low energy, high digestible fibre nugget.

Ideal for all horses and ponies at rest or in light work.

Herbal Chaff

Code: 12½kg Y82007400

Lightly molassed short chop hay and straw combination.

Contains Mint, Golden Rod, Garlic and Rosemary to tempt fussy eaters, and aid digestion.

Bulks out hard feed.

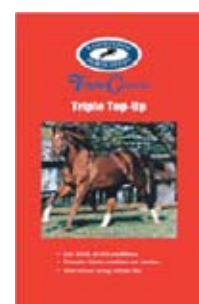

Triple Crown Top-Up

Code: 20kg 23096

A high fat, non-heating supplementary feed for horses and ponies. Contains full fat Soya, coconut oil, essential amino acids, vitamins and minerals.

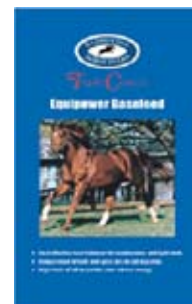

Add Triple Top-Up as a conditioner to the maintenance diet of forage.

Triple Crown Equipower Basefeed

Code: 20kg 24053

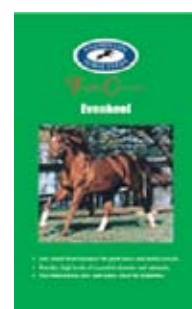

The original feed balancer. Provides significant levels of vitamins, minerals and essential acids to supplement and balance a forage diet. Promotes optimum health and condition. Suitable for all horses and ponies at rest, maintenance or in light work.

Triple Crown Evenkeel

Code: 20kg 24058

Low starch, low energy feed balancer. Provides significant levels of vitamins, minerals and essential amino acids to supplement and balance a forage diet. Promotes optimum health and condition without weight gain. Ideal for native ponies, good doers and overweight horses at rest, maintenance or in light work.

Stud & Yearling Mix

Code: 20kg 22925

Highly digestible and palatable coarse mix, nutritionally balanced to provide the mare with optimum health in the last trimester and throughout lactation, and for sustained foal growth and development. Ideal for working stallions

Stud & Yearling Cubes

Code: 20kg Y82001701

Highly digestible and palatable cube, nutritionally balanced to provide the mare with optimum health in the last trimester and throughout lactation, and for sustained foal growth and development. Ideal for working stallions

Show & Conditioning Mix

Code: 20kg Y82002010

An energy dense feed combining three energy sources: starch, digestible fibre and oil, to provide a balanced formulation for horses and ponies requiring condition and show ring bloom

Conditioning Cubes

Code: 20kg Y82002000

A low fibre, high calorie, oat free, fully balanced cube, designed to promote condition and top line for horses and ponies without 'fizz'.

Cooked Cereal Conditioning Meal

Code: 12½kg 23970

A non-heating, highly digestible double cooked cereal meal in a palatable crumb form, providing extra calories for energy and condition.

Competition Mix

Code: 20kg 22926

A high energy palatable coarse mix, specially formulated for horses and ponies in medium to hard work. Carries the Badminton Guarantee that it is free from prohibited substances as defined by the BSJA, FEI and Jockey Club of Great Britain

Working Mix

Code: 20kg 23095

A traditional energy mix for all horses and ponies in medium work or those that tire easily on their current workload. It is also a useful feed for mid-stages of a fittening programme for high performance horses.

Dressage Mix

Code: 20kg Y82008950

An oat-free working mix, combining three main energy sources: starch, digestible fibre and oil. Ideal for horses requiring to perform with sparkle in a calm, cool and collected manner.

Veteran Mix

Code: 20kg 22927

Highly palatable and digestible medium energy coarse mix, specially formulated and balanced for all veterans at rest or in light work.

All in One Muesli

Code: 15kg Y82005051B

A low energy, fibrous cool mix with added dried grass and Speedi-Beet flakes to produce an ideal feed for horses and ponies in light to medium work.

Park Herbal Mix

Code: 20kg 22924

A luxury oat free low energy coarse mix with real herbs, added for their known natural benefits.

Horse & Pony Cool Mix

Code: 20kg 22928

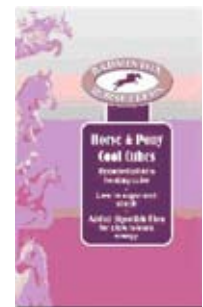

A low energy, oat free coarse mix, ideal for all horses and ponies at maintenance or in light work.

Horse & Pony Cool Cubes

Code: 20kg Y82000501

A low energy cube, ideal for all horses and ponies at maintenance or in light work.

High Fibre Complete Nuggets

Code: 20kg Y82001902

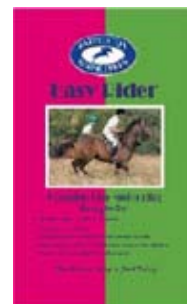

Ideal for natives, good doers, overweight horses and laminitics. Feed from the ground, the natural way to feed a horse. Chunky nugget can be used as a complete feed or partial hay replacer. A non-heating low energy high fibre chunky nugget, ideal for natives, good doers, laminitics, veterans and overweight horses.

Easy Rider

Code: 12½kg 25009

New generation feed, fibre and feed in one bag so you're ready to go! Ideal for all horses and ponies in light to medium work: horses under a laminitic management programme and those with feed intolerances.

Badminton Competition Cubes

Code: 20kg Y82001300

High energy feed, suitable for horses in medium to hard work.

Badminton Feed and Fibre

Code: 15kg 76112

A chaff with coarse mix already in it. A complete feed for horses in light work.

Easibeet

Code: 20kg BO2345

Easibeet is unmolassed, quick soaking sugar beet flakes, needing to be soaked in water for only 20 minutes before use and providing horses and ponies with an extremely palatable feed.
