

Balanced

Balanced Oldster

Code: 20kg 22885

This highly palatable, lightly molassed mix raised vegetable protein and phosphorous levels above those of a conventional mix and is ideally suited to compensate for any reduction in metabolic efficiency.

Balanced Show Mix

Code: 20kg 23198

A palatable, dust free, high fibre feed designed to promote show ring condition and show ring manners for horses and ponies, both in the show ring and in every equine discipline.

Balanced Show Mix H.E

Code: 20kg 76193

A highly palatable, fibre based feed, designed to give that elusive show ring condition with a bit more oomph
