

Red Mills

14% Horse Cooked

Code: 25kg RM14CM25

An alternative racing diet, the formula is similar to that of the Racehorse Cubes, but ingredients are presented on an extremely palatable molasses base.

14% Racehorse Cubes

Code: 25kg RM14RC25

This high energy feed is the front-runner of the RED MILLS stable, ensuring quick recovery from the stresses of racing and fast muscle conditioning during training

Cool 'n' Cooked Mix

Code: 20kg RMCCM20

For horses and ponies in light to medium work and / or in need of an oat-free feed

GroCare Balancer

Code: 20kg RMGB20

GROCARE™ BALANCER has been specially formulated to supply the nutritional requirements of pregnant and lactating mares, foals, young stock and stallions.
