

# Pigs

# Sow & Weaner Nuts

**Code:** 20kg - P07471BF

Farmgate

highly palatable breeder diet designed to be fed to sows and their progeny. Farmgate Sow & Weaner Meal ensures good milk production which results in well grown, healthy piglets that can be weaned from 8 weeks of age.

## Feeding Guide

Offer once daily or at a rate of between 3-6kg per sow and litter, depending on the environmental conditions and the size of piglets. Follow on/rearing diets: At 8 weeks of age piglets should be gradually introduced over a 3 day period to the appropriate pig finisher diet.

Protein 16.0%

## Additional Information

Store Farmgate feed in a cool dry place. Always keep feeding utensils and hoppers clean. Fresh, clean water should be available at all times.
